

# Walkathon Final Results 2021

Our provincial walkathon has ended for 2021. Due to Covid – 19 still being an issue in our lives the participation was still down a bit but we had 24 clubs participate this year. Let's hope that next year we can be back to some kind of normal. Since the convention was cancelled for 2020 and the convention for 2021 being moved to October, we will be mailing out the certificates for both 2020 & 2021 in early June.

The provincial totals were 45,986.06 kms walked, 26 clubs participated and 273 members walked in 2021. The first-place finishers are as follows: Highest Average Kms per Walker – Livelong Lakesiders Seniors – 436.67 Kms, Highest Average Kms per Club Member - Big River Seniors – 149.25 Kms and Highest Percentage of Club Members Walked – Gull Lake with 83.33% of members participating. Highest percentage again this year. Congratulations Gull Lake!!

Congratulations to Stuart McLean of Big River who walked 1411.2 Kms. Well done!! Honorable mention also to the following walkers, Leona Barth from Kerrobert who walked 658.1 Kms, Gary Granat from Livelong who walked 626 Kms, Linda Ard from Meota who 602.2 Kms and Georges Doderai from St. Joseph Seniors St. Louis who walked 507 Kms.

Congratulations to all the clubs and all the walkers. Job well done in these crazy times. Hope to see you all back again next year.

Keep safe and continue to enjoy your walks!!
