Senior Citizens' and Pensioners' Prayer

Our Heavenly Father, we come to Thee and ask that Thou will guide and direct us in this, our meeting.

Grant O Lord, that all our decisions may be made with good judgement and with fairness to all concerned.

Dispel any dissension or discord that might arise, and if we are the minority give us wisdom and courage to accept it gracefully.

Grant, that we may have the initiative and will work together for the good of our Club and our community.

Help us to give a kindly word and friendly smile to those less fortunate than we, and may we never be hasty in judgement and always forgiving, seeing our own faults before seeing the faults of others.

Bless all our Seniors Citizens and Pensioners throughout this great land, heal the sick, watch over the lonely and give rest to the weary and heavy laden.

We thank Thee, Lord, for the health, the strength and privilege of being able to meet here and work together for the betterment of mankind.

All these things we ask in Thy Name,

Amen.

Saskatchewan Seniors Association Inc. 40th Anniversary

The Birth of SSAI - On June 12, 1981, an amalgamation agreement was signed by Pensioners and Senior Citizens Organization of Saskatchewan (Ted Azevedo, President) and Saskatchewan Association of New Horizons Projects (D.Z. Daniels, President). Both organizations had been operating with a purpose and program to benefit seniors. After more than a year of negotiations the proposal for the formation of a new organization was prepared and presented at a convention held June 11th – 12th in the Pensioners' and Pioneers' Pavilion in Saskatoon; A crowd of 300 delegates attended. The resolution on the amalgamation was carried unanimously. The PSCO and the SANHP became one organization under the new name: Saskatchewan Seniors Association Incorporated.

After serving as president of the former PSCO from 1977 until it was dissolved in 1981, Mr. Azevedo became the first president of SSAI. He remained in that position until 1988 before voluntarily stepping down. At the SSAI Convention in Estevan in 1988, Eric Tuplin of Beechy was elected president. However, after a short term in office, he passed away very suddenly and was succeeded for the duration of the term by first vice-president Madge Phillips of Unity. At the 1989 convention in Prince Albert, Mrs. Phillips was elected president, she was re-elected again in 1990, and then retired from the position at the end of the term because of failing health. She was succeeded by Harry Giles of Saskatoon, who was elected president at the SSAI convention in Regina. At the Association's convention in Humboldt in June 1992, Edwin Wright of Sturgis was elected president to succeed Mr. Giles. Following Mr. Edwin Wright's terms of office, Helen McMillian became president. Due to health problems Harry Moore succeeded Helen. Harry Moore remained president until his health failed then Daryl Van Dussen became president for a short term. Ed Seminar finished out Van Dussens' term and served until 1999. In June 1999 Grant Whitfield became president. He was succeeded by Fern Haight as president, from 2002 until 2008. The president at this time was Len Fallows. Sheila Righi took over from Len Fallows. Due to health reasons, Sheila resigned and Fern Haight stepped back into the chair as president of SSAI. From 2016 – 2019, Pat Trask was president of SSAI, followed by Dwayne Turcotte from June 2019- June 2020 and then Mike Kaminski from June 2020-May 1, 2021 (resigned). Lylie Herman was 1st Vice at the time of Mike's resignation and is currently the acting President for SSAI until an election can take place at the next AGM/Convention on October 13-14, 2021.

I was also a vocational counselor for over 25 years working with individuals with mental health issues to help them on their journey towards recovery. Arlene Walker

I was born and raised in the Meota area, married a local farmer and raised four daughters on the farm. We were all 'horse people' and before I left the farm, I raised and sold Norwegian Fjord horses.

All my grandparents came from Norway so we naturally followed many Norwegian traditions one if these was 'rosemaling' (decorative painting, mostly on wood). As a group of five ladies, we took classes in Decorah, Iowa then sold our work at craft shows in Saskatchewan, for about ten years. We also taught classes in the area.

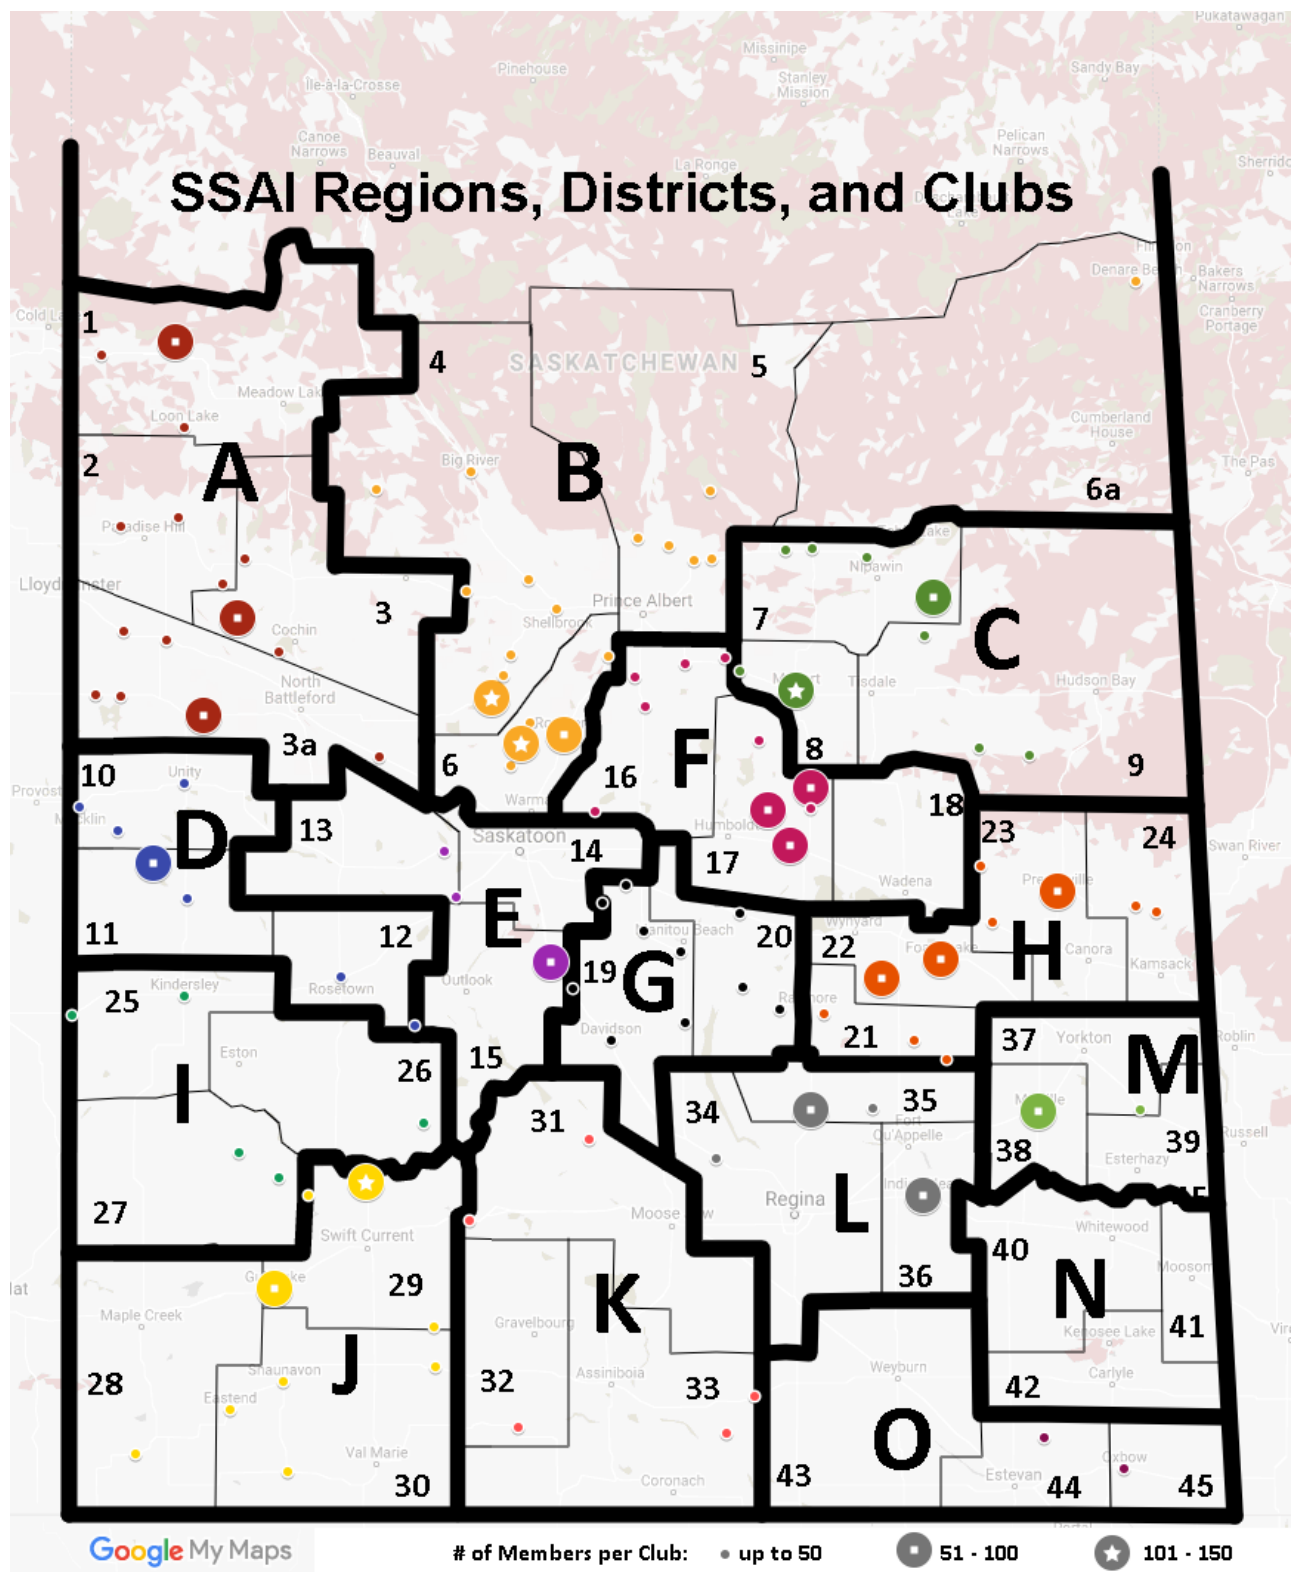

I have been a Sons of Norway member for forty years and belong to the club in North Battleford. Widowed and retired I now live in Meota and enjoy the activities at the senior's 'Do Drop In' center.

Pat Ciona

Pat Ciona is a retired special education teacher who spent the majority of her teaching career in Marcelin, Blaine Lake, and Muskeg Lake Cree Nation. She and her husband Andy, long time residents of Blaine Lake, have three daughters and three grandchildren. In addition to her teaching career, Pat owned and managed Ciona's Highway Inn from 1990-2007. Pat has been involved in many organizations – the Blaine Lake Seniors Club, the Chamber of Commerce, the Petrofka Superannuated Teachers Chapter, the Saskatchewan Patient Family Advisory Committee, the Leask Legion, the Council for Exceptional Children, and the School Terry Fox Run. She has been involved in many Ukrainian organizations and is presently serving as a Director of the Ukrainian Museum of Canada located in Saskatoon.

We acknowledge that the land currently known as the Province of Saskatchewan is comprised of portions of lands from Treaties 2, 4, 5, 6, 8 and 10, the territories of the Nêhiyawak, Anihşināpēk, Dene, Dakota, Lakota and Nakota nations, and the homeland of the Métis.
